Bolton Council School Meals

Halal Menu November 2017 – May 2018

Dear Parent or Guardian,

Did you know that choosing healthy school food will not only save you time and money, but will provide your child with a delicious and nutritious meal that will support their development and education.

Menu Choices

The healthy food choices on the Autumn/Winter Menu complies with the Government's School Food Standards, which are intended to help children develop healthy eating habits and ensure they get the energy and nutrition they need.

Universal Infant Free School Meals

All children in Key Stage 1 are entitled to a free school meal. You do not need to register for this free meal entitlement, but your school receives funding based on entitlement to welfare benefit free school meals, so please register for these if you are eligible.

Excellent Value for Money

The price of a school meal in Bolton is just £1.40, excellent value for a two course meal including a drink. Your child may be entitled to a free school meal, visit the website for further details.

Allergen information

Allergen information can be obtained by talking to our staff or visiting the school meals website.

"My child wasn't prepared to try anything at home. We worried he wasn't eating enough, he wouldn't touch fruit or vegetables and would only eat white bread. When he sees his friends having new food as part of their school meal he tries them too, so he doesn't feel left out. If he's sitting with his friends who are eating, he seems to eat more."

School Meals also ...

- encourage your children to try different foods, as well as enjoy familiar favourites.
- provide at least two of the recommended 5-a-day portions of fruit and vegetables.
- start them thinking about healthy eating, which will help them make good food choices in the future.
- help children's concentration and behaviour in the classroom.
- run themes on a monthly basis.
