Dear [Sir or Madam],

Bolton Allocations Plan – consultation on scope

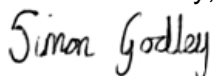

The council adopted Bolton's Core Strategy on 2nd March 2011. It is now at an early stage in the preparation of an Allocations Plan. The Core Strategy provides a strategic approach to the planning of Bolton over the next 15 years, but with the exception of the former Horwich Loco Works, it has not amended the existing 2005 Unitary Development Plan Proposals Map; nor has it replaced all of the UDP's policies. The Allocations Plan will bring the Development Plan Proposals Map up to date, and act as a replacement for those UDP policies that are still in force.

The attached document about the Allocations Plan contains three parts:

- Background
- Timetable
- Scope

At this early stage I would welcome your views on the possible scope of the Allocations Plan as set down in the attached note. I have attached a short questionnaire for you to complete and return by Friday September 2nd 2011.

Yours sincerely,

Simon Godley
Development Manager (Planning Strategy)
