Workforce Planning and Development

Code: Title:

Paediatric First Aid (Accredited)

Description:

This course meets the requirements in line with the Statutory Framework for the EYFS and Ofsted. This 12 hour course is based around the most common injuries that occur with children. It includes theory and practical content enabling candidates to demonstrate skills and knowledge in a practical way with a multiple-choice test on the last session. The successful completion of this course will give the candidate a certificate which is recognised by Ofsted and valid for 3 years, after which a re-qualification is required

Audience:

All practitioners (as appropriate)

Date:
