## Care homes and care homes with nursing for older adults in Bolton

This list of care homes in Bolton is intended to help residents, their relatives, carers and friends identify a suitable home for their needs if they are looking for a care home within Bolton.

Considering a move into residential care is a big decision with many implications. We encourage everyone in this position to seek advice and support by contacting one of the Adult Social Care Teams as below:

North: General Enquiries- 01204 337240  
Duty - 01204 331149  
West: General Enquiries- 01204 337680  
Duty - 01204 333410  
South: General Enquiries- 01204 337717  
Duty - 01204 338863

This list includes all registered homes within Bolton, who have a contract with Bolton Council and who provide care for adults of all ages over 18 and is divided into general age ranges for residents, although homes have some flexibility about the actual ages of residents that they may accept.

The list may also be useful for people making their own private arrangements with a care home.

The first list is of residential care homes. The second list is of care homes offering nursing. Some of these may also accept residents not requiring nursing care. The third is a list of homes predominantly for younger adults.

## Prices

Bolton Council's standard prices paid to homes which are predominantly for older adults are as set out below. Residents placed by Bolton Council have to make a contribution towards this amount in line with nationally set financial criteria.

Homes predominantly for younger adults may have different prices.

<b>Prices from 9<sup>th</sup> April 2018</b>	
Standard Residential Payment	<b>£480.00 pw</b>
Standard Residential + Care Home Excellence Payment (for homes participating in the voluntary Care Home Excellence scheme)	<b>£490.00 pw</b>
Dementia High Needs Payment (for residents placed by the Council in approved Dementia units)	<b>£55.00 pw</b>

To receive the Care Home Excellence Payment homes must commit to work more closely with the Council and CCG to:

- Make care homes safer
- Improve people's experience of living in a home
- Create a care home market full of high-quality, resilient providers

The scheme involves commitment to a range of initiatives including training, performance monitoring and attendance at provider meetings.

Each list below indicates whether the home owner will take a placement of an older person from the local authority at the prices shown above without requesting a top up from a third party.

Prices charged to residents who fund themselves may be different. You need to confirm with the home owner/manager the exact price for any particular room as this can vary.

## Quality

There are various ways of identifying the quality of care home providers. All prospective private users are encouraged to talk to several providers, ensure that they are registered with the CQC and check out their terms of business, prices and approach to quality before making a final decision.

The Care Quality Commission (CQC) registers and inspects all care homes whether or not they are listed below. It publishes inspection reports on the internet at [www.cqc.org.uk](http://www.cqc.org.uk).

**If you have any comments about this list or find any inaccuracies please contact the Contracts and Procurement Team by e-mail to [contractsteam@bolton.gov.uk](mailto:contractsteam@bolton.gov.uk)**
