Embedding Language Strategies Workshop

Description

A series of two interactive workshops designed specifically for ELKLAN accredited staff to refresh practitioner knowledge and understanding of key communication and language strategies and approaches.

What will I learn?

These two interactive workshop sessions focus on the practical application of the Language for Learning model, adult-child interaction, BLANK, Information Carrying Words and speech sound development.

By the end of this course, you will:

- Have refreshed your knowledge and understanding of language strategies such as adult-child interaction strategies, the Language of Learning Model (BLANK language scheme), information carrying words (ICWs) and speech sound development;
- Have carried out practical activities based on these strategies;
- Be able to plan practical activities based on these strategies;
- Have devised an action plan to support the implementation of the strategies within your setting;
- Be able to plan activities to use with children within your setting;
- Be confident to share your knowledge and skills with the wider staff team; and
- Make effective use of Early Years Pupil Premium and Pupil Premium Grant.

Delivered by: Bolton Start Well Service – Communication and Language Development Team

Who is this course for?

This course is ONLY appropriate for staff who have gained ELKLAN accreditation. It is suitable for practitioners working with children aged 0-5 years and their families. Practitioners working with children in Key Stage 1 and 2 may also find this course beneficial.
