

Bowling green proposals

Following consultation in February 2019 and discussions with clubs over the summer period the council has reconsidered the options to achieve the savings target for Bowling Greens and have put forward the following proposals for consultation.

- Cease the maintenance of the 2nd greens at Kearsley Park and Westhoughton Central Park
- Reduce the end of season renovation to vertidrain works only
- Close the separate 'social' building at Haslam Park
- Increase charges from £1 per week to £2.50 per week (£25 to £65 for the summer season)
- New charge of £500 or £750 (depending on size / use of building) for the winter use of buildings
