General Conditions of Licence

1. The pavement license hereby approved shall only be operative on the public highway during the agreed operating hours stated on this Pavement Licence. Outside these stated hours all furniture shall be removed and stored off the public highway.
2. The general cleaning and appearance of the licensed area will become the responsibility of the Licensee during the hours of operation of the Pavement Licence.
3. The Licensee will be required to revert the area for normal highway use outside the agreed operating hours in a clean and unobstructed state.
4. All tables & chairs shall be suitable for the purpose, clean, tidy and maintained to a high standard. There shall be no overhanging or obstruction of any item on or over the public highway whatsoever, other than in the permitted area specified in this Pavement Licence.
5. Tables must be cleaned as soon as they become vacant, if not before.
6. If umbrellas or parasols are proposed, they must be adequately secured and positioned so as not to project beyond the designated area.
7. Litter receptacles will be required within the licensed area which should be maintained in a clean and tidy condition.
8. The playing of amplified music outside the premises will not be allowed under the Pavement Licence.
9. If the sale of alcohol is proposed then it is the responsibility of the Licensee to ensure that the appropriate License is in place. Further information can be found on the Councils website at **<https://www.bolton.gov.uk/alcohol-gambling/alcohol-entertainment-late-night-refreshments>**
10. For outdoor alcohol sales the use of glass containers is not permitted. Where food together with alcohol is served the use of glass containers is permitted.
11. In situations whereby there is an increased risk of disorder or risk to public safety, the premises supervisor, at the request of the police or Council will remove the furniture immediately.
12. All patrons are to be seated and the use of the area as a smoking area is not permitted.
13. The sale of takeaway food or drink from outside the premises will not be allowed under the Pavement Licence.
14. A minimum distance of 0.75m from the face of the building is required to adequately accommodate tables and chairs plus seated persons.
15. In Pedestrianised Areas generally a 5.0m wide corridor should remain as a clear and unobstructed route for pedestrians and emergency vehicles.
16. In partially pedestrianised areas, tables and chairs must only be placed on the highway, which is shared with vehicles, inside the times designated for pedestrian use. Street furniture will be allowed on licensed areas 30 minutes after vehicular access is closed. All street furniture must be removed 30 minutes before vehicle access commences.
17. A minimum width of 1.8m unobstructed footway is required for safe pedestrian movement, and their needs must be paramount, nor should they be diverted from their main route. In areas of heavy pedestrian flows or on bus routes a minimum width of 2.3m unobstructed footway is required.
18. In a situation where there is a significant amount of street furniture (eg Lighting Columns, Bus Stops etc), a minimum width of 1.8m will be required from the line of the street furniture rather than the face of the kerb edge or other defined edge.
19. The area must be defined by a barrier at all times whilst the tables & chairs are placed on the public highway. The barriers shall be provided with a 'tapping rails' at a maximum of 0.2m above ground level and a minimum 0.05m thickness.
20. Street tables must be served directly from adjacent building premises where the food is prepared and sold.
21. The license holder and management are to complete the free ACT E-learning within 10 days of being granted a Pavement License and all other staff to complete the training within 3 months unless they can

demonstrate they have successfully completed the ACT E-learning within the preceding 12 months

<https://ct.highfieldelearning.com/>

Certificates of the training must be retained for the duration of the Pavement Licence and be available to the Council upon request.

22. The Licensee must ensure that any existing CCTV systems are health checked to ensure they are both compliant with all relevant legislation and work correctly.
23. The Licensee is fully responsible for ensuring that the area is covered by a valid Pavement Licence at all times, ensuring that the Licence is renewed, on or before the due date.
24. The Licensee must be covered by Public Liability Insurance which should be available for inspection, minimum cover £3 million and should indemnify Bolton Council from and against all actions, claims, losses and expenses whatsoever in respect of personal injury or damage to property, however, caused, arising out of or in anyway attributed to the granting of the pavement license.

NOTE

Failure to comply with any of the terms & conditions listed above may result in the Pavement Licence being revoked.

Ministry of Housing, Communities and Local Government “**Pavement Licenses: Outdoor Seating Proposals**” document Section 6 sets out the duties placed on the applicant in respect of consultation and the requirement to demonstrate that this has been met.
