*Where the business can demonstrate its main trade is to supply event / leisure / hospitality businesses but it does not have a rateable value and cannot demonstrate it pays rent/mortgage business payments and/or other significant fixed business-related costs the grant will be capped at £5,336.		
**Supply chain businesses will be eligible for the payment for the sector they supply. If they supply more than one sector they will be paid at the level of whichever sector they trade with most.
