

Update on Area Working Budgets for the Crompton Ward – 3 May 2023

All ward budgets were consolidated in April 2022 following the redesign of the area working service. Each ward continued to receive a flat rate budget of £15,000 for financial years 2020/2021 and 2021/2022. All allocations since they were last published in December 2020 are listed below under a consolidated budget (approvals have been made under the Council's Scheme of Delegation).

Area Working Flat Rate Budget

Approvals since last update;

Scheme	Amount
Contribution towards 4 highways maintenance schemes i.e. repaint lines on Wordsworth St, pavement works on Sutcliffe St, resurface works on Harvey St & Keswick St.	£15,000

Consolidated budget remaining £15,000 3 May 2023 (including £15,000 for 2022/23).

Please note the redesigned area working service approach has also led to a stronger emphasis in supporting greater social action within our communities. Ward budgets for financial year 2022/23 onwards require a minimum of £7500 per ward to be allocated from the total flat rate budget of £15,000 to community group projects to generate and increase social action for the benefit of residents in the ward.
