Background

A formal Statutory Consultation was undertaken between 8th February 2021 and 7th March 2021 to permanently increase the age range at High Lawn CP School, to enable the school to continue to offer high quality educational support for 2-year-olds. This will be achieved through the minor alterations the school have undertaken within the existing school building and through extending the nursery facilities, with a view to enabling this provision to reach more families in future.

There was no representation received during the Statutory Consultation period.

Decision

The outcome of the Statutory Proposal was reported to the Executive Member for Children's Services on 12th April 2021 and approval was given to permanently increase the age range from 3 – 11-year-olds to 2 – 11-year-olds at High Lawn CP school.
