Background

A formal Statutory Consultation was undertaken between 8th February 2021 and 7th March 2021 to create a Resourced Autism Spectrum Disorder Provision unit to accommodate 6 to 8 primary age children at Moorgate CP to help children throughout their primary education by providing targeted support for those with Autism Spectrum Disorders within a mainstream school setting. This will be achieved through a new extension to the existing school and will be created within a discrete setting but with access to the main school when required. This will be created with a separate dedicated access, together with a drop off/ pick up facility and a proposed new discrete secure outdoor play area.

There was no representation received during the Statutory Consultation period.

Decision

The outcome of the Statutory Proposal was reported to the Executive Member for Children's Services on 12th April 2021 and approval was given to provide an Autism Spectrum Disorder (ASD) Resourced Provision to accommodate 6 to 8 primary age children at Moorgate CP School.
