- (3) A person who carries on business as a scrap metal dealer in breach of subsection (1) is guilty of an offence and is liable on summary conviction to a fine not exceeding level 5 on the standard scale.

- (1) A scrap metal licence is to be issued by a local authority.
- (2) A licence must be one of the following types—

- (4) A site licence must—
 - (a) name the licensee,
 - (b) name the authority,

- (c) identify all the sites in the authority's area at which the licensee is authorised to carry on business,
 - (d) name the site manager of each site, and
 - (e) state the date on which the licence is due to expire.
- (5) A collector's licence authorises the licensee to carry on business as a mobile collector in the authority's area.
- (6) A collector's licence must –
- (a) name the licensee,
 - (b) name the authority, and
 - (c) state the date on which the licence is due to expire.
- (7) A licence is to be in a form which –
- (a) complies with subsection (4) or (6), and
 - (b) enables the licensee to comply with section 10 (display of licence).
- (8) The Secretary of State may in regulations prescribe further requirements as to the form and content of licences.
- (9) A person may hold more than one licence issued by different local authorities, but may not hold more than one licence issued by any one authority.

3 Issue of licence

- (1) A local authority must not issue or renew a scrap metal licence unless it is satisfied that the applicant is a suitable person to carry on business as a scrap metal dealer.
- (2) In determining whether the applicant is a suitable person, the authority may have regard to any information which it considers to be relevant, including in particular –
- (a) whether the applicant or any site manager has been convicted of any relevant offence;
 - (b) whether the applicant or any site manager has been the subject of any relevant enforcement action;
 - (c) any previous refusal of an application for the issue or renewal of a scrap metal licence (and the reasons for the refusal);
 - (d) any previous refusal of an application for a relevant environmental permit or registration (and the reasons for the refusal);
 - (e) any previous revocation of a scrap metal licence (and the reasons for the revocation);

 - (b) any secretary of the company;
 - (c) any shadow director of the company (that is to say, any person in accordance with whose directions or instructions the directors of the company are accustomed to act).

- (5) If the licensee or any site manager named in a licence is convicted of a relevant offence, the authority may vary the licence by adding one or both of the conditions set out in section 3(8).
- (6) A revocation or variation under this section comes into effect when no appeal under paragraph 9 of Schedule 1 is possible in relation to the revocation or variation, or when any such appeal is finally determined or withdrawn.

- (7) But if the authority considers that the licence should not continue in force without conditions, it may by notice provide—
 - (a) that, until a revocation under this section comes into effect, the licence is subject to one or both of the conditions set out in section 3(8), or

Interpretation

- 1 (1) For the purposes of this Schedule, a person has an interest in premises if the person is the owner, leaseholder or occupier of the premises.
- (2) In the case of a local authority, the powers conferred by this Schedule are exercisable only in relation to premises in the authority's area; and "the local authority", in relation any premises, is to read accordingly.

Closure notice

- 2 (1) This paragraph applies if a constable or the local authority is satisfied –
 - (a) that premises are being used by a scrap metal dealer in the course of business, and
 - (b) that the premises are not a licensed site.
- (2) But this paragraph does not apply if the premises are residential premises.
- (3) The constable or authority may issue a notice (a "closure notice") which –
 - (a) states that the constable or authority is satisfied as mentioned in sub-paragraph (1),
 - (b) gives the reasons for that,
 - (c) states that the constable or authority may apply to the court for a closure order (see paragraphs 4 and 5), and
 - (d) specifies the steps which may be taken to ensure that the alleged use of the premises ceases.
- (4) The constable or authority must give the closure notice to –
 - (a) the person who appears to the constable or authority to be the site manager of the premises, and
 - (b) any person (other than the person in paragraph (a)) who appears to the constable or authority to be a director, manager or other officer of the business in question.
- (5) The constable or authority may also give the notice to any person who has an interest in the premises.
- (6) Sub-paragraph (7) applies where –
 - (a) a person occupies another part of any building or structure of which the premises form part, and
 - (b) the constable or authority reasonably believes, at the time of giving the notice under sub-paragraph (4), that the person's access to that other part would be impeded if a closure order were made in respect of the premises.
- (7) The constable or authority must give the notice to that person.

Cancellation of closure notice

- 3 (1) A closure notice may be cancelled by a notice (a "cancellation notice") issued by a constable or the local authority.

- (2) A cancellation notice takes effect when it is given to any one of the persons to whom the closure notice was given.
- (3) The cancellation notice must also be given to any other person to whom the closure notice was given.

 - (b) there is no reasonable likelihood that the premises will be so used in the future.
- (4) Where a complaint has been made under this paragraph, the justice may issue a summons to answer to the complaint.
- (5) The summons must be directed to any person to whom the closure notice was given under paragraph 2(4).

- (7) The procedure on a complaint under this paragraph is to be in accordance with the Magistrates' Courts Act 1980.

Closure order

 - (a) the premises continue to be used by a scrap metal dealer in the course of business, or
 - (b) there is a reasonable likelihood that the premises will be so used in the future.
- (2) The court may make such order as it considers appropriate for the closure of the premises (a “closure order”).
- (3) A closure order may, in particular, require –
 - (a) that the premises be closed immediately to the public and remain closed until a constable or the local authority makes a certificate under paragraph 6;
 - (b) that the use of the premises by a scrap metal dealer in the course of business be discontinued immediately;

 - (b) a constable or the local authority is satisfied that the need for the order has ceased.

- (3) The closure order ceases to have effect when the certificate is made.
- (4) If the closure order includes a requirement under paragraph 5(3)(c), any sum paid into court under the order is to be released by the court to the defendant (whether or not the court has made provision to that effect under paragraph 5(5)).
- (5) As soon as practicable after making a certificate, the constable or authority must—
 - (a) give a copy of it to any person against whom the closure order was made,
