CHURCH OF ENGLAND PRIMARY SCHOOLS IN SEPTEMBER 2022**

You should only complete this form if you wish to apply for admission to one of the Church of England primary schools under their published church criteria. Only forms countersigned by the Church Leader can be considered. The completed form should be returned to the school (if you are applying for more than one school you should provide a copy to each)

You may still show one of these schools as your preference even if you do not attend Church and your application will be considered on the basis of any sibling link and/ or where you live. In such cases this form need not be completed.

The admission criteria for each of these schools are published in the booklet "Admission to Primary Schools Information for Parents 2022. If you need further help you should contact the school if the school is a voluntary-aided school or Pupil & Student Services for Voluntary-Controlled schools.
