

Title: **Dying, death and grief in the age of Covid and beyond**

Audience: This course is for anyone interested in developing their awareness of bereavement.

Description: The impact of bereavement is always a very difficult and challenging time. The current COVID 19 crisis has further impacted on people's experiences of bereavement. Many people lack confidence in knowing how to support someone through the impact of loss and bereavement.

Objectives: By the end of this course you will be able to:

- gain a deeper understanding of loss, grief and bereavement in adults.
- understand the impact of covid-19 on bereavement
- explore theories of loss
- reflect on supportive communication skills to acknowledge a bereavement or loss highlighting the role of a compassionate leader.
- highlight the importance of self awareness – looking after yourself.
- learn about useful resources and both national and local organisations to support
