

**Title:** **Domestic Abuse and Violence and Mental Health**

**Description:** This training will explore the dynamics between domestic abuse and violence and how living with domestic abuse and violence effects victims' mental health. You will learn how mental health can be used by an abuser and how to work with victims and survivors with a trauma informed approach.

**Objectives:**

- To provide learners with knowledge and skills required when supporting victims of domestic abuse and violence who have additional mental health needs.
- Describe the characteristics of a number of mental health issues
- Evaluate the effects of mental health on victims of domestic abuse and violence
- Explain the dynamics between domestic abuse and violence and mental health
- List ways mental health can be used by an abuser
- Recognise the need for a trauma informed approach to supporting individuals

**Audience:** This course is for anyone interested in developing their awareness of domestic abuse and violence and mental health

**Courses:**
