OVERSUBSCRIPTION CRITERIA FOR ADMISSION OF PUPILS TO THE SCHOOL AT AGE 11+

NOTES FOR PARENTS - Please read carefully

The Governors' policy is to give priority to children from committed Christian* families.

The number of intended admissions each year to Year 7 is 300. All pupils are admitted without reference to ability or aptitude.

Admission Criteria:

When, following the admission of children with a Statement of special educational needs or an Education Health and Care Plan that names the school, there are more applications than places remaining available, the school will allocate places on the basis of the following oversubscription criteria, which will be applied in the order of priority shown:

1. The school will give the highest priority for admission to looked after children and previously looked after children.

Note: A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after.

Thereafter the Governors will decide between applicants using the following order:

2. Children of staff

This applies to all staff, full and part time, who are employed on a permanent contract of employment in either or both of the following circumstances:

- a) where the member of staff has been employed at Canon Slade School for two or more years at the time at which the application for admission is made, and/or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

3. Children from committed Christian families, based on:

- How regularly and frequently the child attends public worship at a Christian Church*
- How regularly and frequently one parent attends public worship at a Christian Church*
- The number of years the child's attendance at public worship at a Christian Church has been sustained
- The number of years the parent's attendance at public worship at a Christian Church has been sustained.
- Residence in the Bolton Deanery, (or any equivalent area if the Bolton Deanery is replaced in any future church re-organisation)**

4. Children who have an older sibling*** attending the school at the closing date of applications for admission, whose older sibling was admitted under the school's faith-based admissions criteria.

5. Children who have an older sibling*** attending at the closing date of applications for admission, whose older sibling was **not** admitted under the school's faith-based admissions criteria.

6. Any other children, with priority given to those who live closest to the school. ****

* Information will be gathered from parents and the authorised minister to enable the points' score to be calculated for each child. The Governors define a 'Christian Church' as one which is a member of 'Churches Together in Britain & Ireland' (CTBI) and/or 'Churches Together in England' (CTE). For churches which are not members/affiliates of CTBI or CTE, Governors require evidence that the church shares the statement of belief ('the Basis') of CTBI or CTE. This evidence needs to be supplied at the time of application.

A list of churches in membership and criteria can be found at:-

Churches Together in Britain & Ireland at <https://ctbi.org.uk/> and

Churches Together in England at <https://www.cte.org.uk/>

** For the purpose of this application residence means the normal home address which will be taken to be the home in which the child sleeps for the majority of the school week. The child should be resident there at the time of application. This address should be the same as detailed in section A1 of this form. Parents may be asked for proof of address. The Deaneries listed are Church of England Deaneries.

*** The Governors have defined 'Sibling' as full, step, half, foster and adopted brothers or sisters living at the same address.

**** The distance from the child's normal home front door to the main gate of the school in a straight line, measured on a map, will be used as the determining factor, nearer addresses having priority. The normal home address will be taken to be the home in which the child sleeps for the majority of the school week and this address should be the same as detailed in section A1 of this form. Parents may be asked for proof of address. For children of UK Armed Service personnel and other Crown servants returning to the area proof of posting is all that is required.

Information must be provided by an authorised Church officer, usually the Parish Priest/Minister or Church Warden/Elder/PCC Secretary/Child Protection Co-ordinator etc.

The School was over-subscribed for admission in September 2025. The 'cut-off' point score was TBC, this was out of a maximum total of TBC in 2024.

RIGHT OF APPEAL

In the event of parents being refused a place for their child, they have the right of appeal to an independent panel. Information explaining how to appeal will be sent via the Local Authority should your application be unsuccessful. Repeat applications within the same academic year will not be considered unless there has been a significant change in circumstances.
