

Vet Confirmation

Regulations 21 requires that the licence holder must register the primates with a veterinarian who has agreed to provide the following:

Routine visits at an appropriate frequency to assess the health, condition and welfare of each primate
Carry out or supervise the treatment of a sick primate
Administer or supervise the administration of medicines, vaccines, parasite control, disease surveillance and contraception to the primates when appropriate
Monitor the health and welfare of each primate
Advice and assistance in an emergency

Veterinary Sign Off (to be signed only if satisfied with being able to carry out all the above checks and duties)

Signature	
Position	
Date
