

Mental Health and Wellbeing Training Programme

2025—2026

WELCOME...

This **FREE** training programme helps people to gain insights into their own mental health and wellbeing, as well as learn how to recognise the signs of poor mental wellbeing in others, provide support and advocate for mental health awareness in the workplace.

There are a number of different courses on offer, ranging from one-hour introductory sessions to courses with up to seven sessions on different days.

Training is available both online and in person

Please note that all our MH and wellbeing courses are free to attend, however, from the 1st October 2024, if places are booked and not cancelled, there will be a non-attendance fee of £30 per course.

How to Book on to Courses

How to Book on to Courses

If you are new to Me-Learning, please <u>register your details in the Open Access workspace on Me-Learning</u>. When you are registered, you will be able to <u>sign in on the Open Access workspace on Me-Learning</u>, browse the training catalogue and enrol on the courses.

If you cannot register, it is because you are already registered but in a different workspace. If you are an existing Me-Learning user but need to be registered in the Open Access workspace, please email learninganddevelop-ment@bolton.gov.uk. For any problems with registration, please email learninganddevelopment@bolton.gov.uk or phone 01204 337600.

To book on a course, click on the **Browse Courses** section and search for your selected course. Once you have found the course you have searched for click **View** and then **Enrol**.

If you are enrolling onto an Online course/ event, this will be delivered by Microsoft Teams or Zoom.

Your link to the online session will be visible on your Me Learning Courses once you have enrolled.

If you need to cancel a place on a course

Connect 5

How to Book on to Courses

Course Overview

Connect 5 is a 3-session programme that draws on cognitive behavioural therapy to promote self-help. This course aims to raise awareness of how you can support mental health and wellbeing within your everyday life. The intended outcome of this course is to change the way we have mental wellbeing conversations so that we are confident and skilled to have brief conversations in which we help a person think about ways they can take action to improve their mental wellbeing.
