Moodle Replacement

On **the 1ˢᵗ July 2024** the online "Moodle" training platform we use will be replaced by the "**Open Access Learning Platform**".

Please Note: The current online **Keeping Children Safe (Basic),** and other courses **including Safeguarding Adult's** courses will now be hosted on the "Open Access Learning Platform".

[Learning and Development Web Pages](#)

Important: If you are currently undertaking courses on Moodle, you must complete them by 31ˢᵗ June
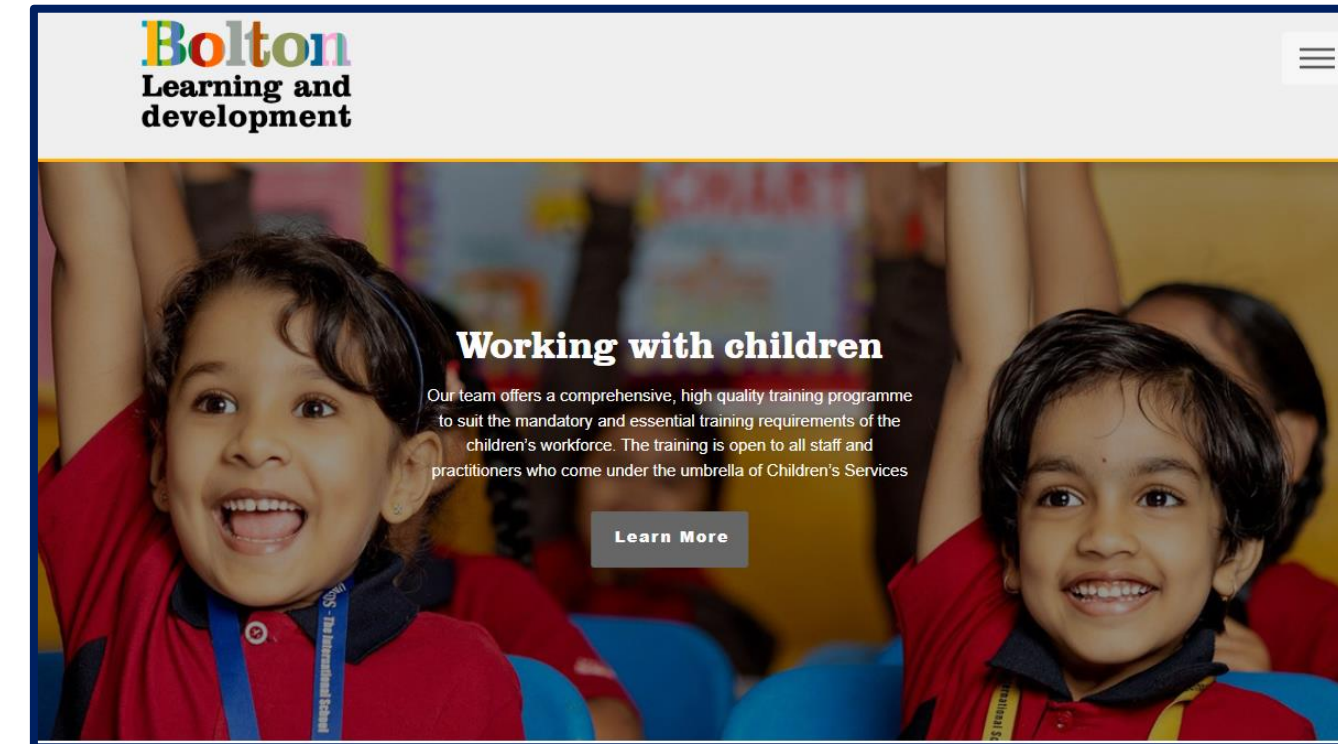

SCAN ME

Welcome Nick Howarth!

Welcome to Bolton council's open access training site.
You're currently on the Homepage where you can find key courses that are available to you free of charge.

Click Catalogue at the top of the page to see what courses are available.

This platform is a sister site to our main ME- Learning Platform that hosts over 200 short courses. These courses cover a variety of subjects to support those working with Adults or Children and a variety of other subjects.

Access to these courses is via a licence at a nominal cost for unlimited access through to March 2025

Contact our Leaning and Development team via email e-learning@bolton.gov.uk for more information.

Please note if you are a Bolton council employee this is the incorrect Me-learning site, please go to our sister site or contact e-learning@bolton.gov.uk.
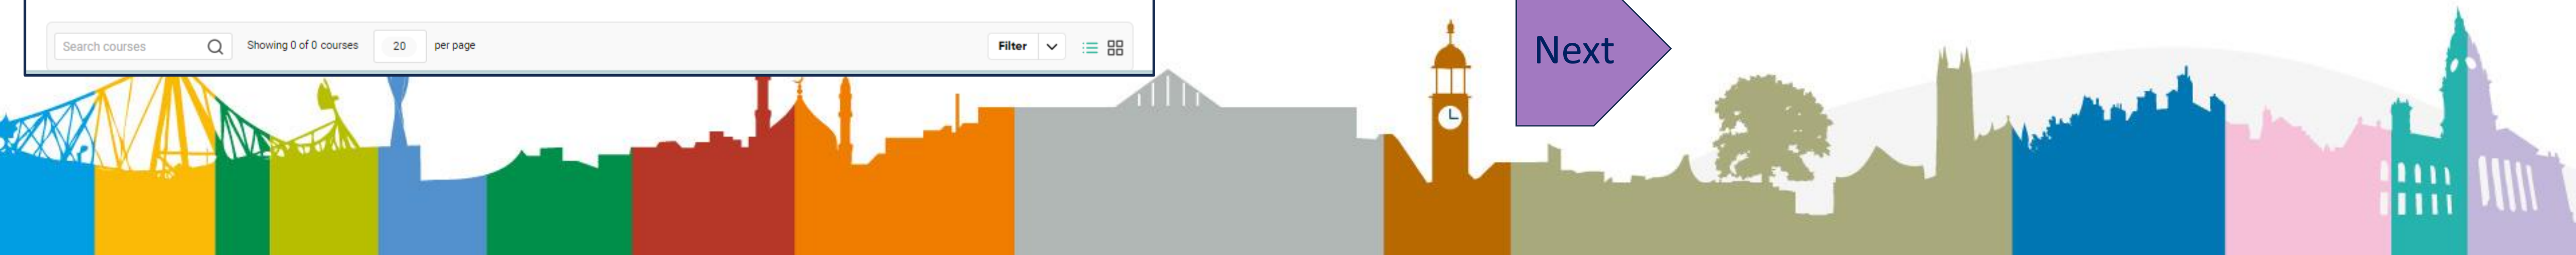

Bolton Foster Carers should already have an account on our sister site, please contact your supervising social worker for more information.

Thanks

Janet Birchall

Completing the Keeping Children Safe (basic) course 1 – 2 - 3

Bolton Council

1
Start the course by selecting **'Enrol'** and complete each section in order A-B-C-D

Keeping Children Safe (Basic): Signs and Symptoms

This training is for all staff who come into contact with children, young people, parents or carers either directly or indirectly, during the course of their work, including staff from the voluntary, independent and private sectors.

It is good practice to access this training annually to ensure you are up-to-date with the latest policies, changes and additions.

Course Objectives:

• Understand the difference between safeguarding and child protection.
