Welcome...

This FREE training programme helps people to gain insights into their own mental health and wellbeing, as well as learn how to recognise the signs of poor mental wellbeing in others, provide support and advocate for mental health awareness in the workplace.

There are a number of different courses on offer, ranging from one-hour introductory sessions to courses with up to seven sessions on different days.

Training is available both online and in person

Please note that all our MH and wellbeing courses are free to attend, however, from the 1st October 2024, if places are booked and not cancelled, there will be a non-attendance fee of £30 per course.

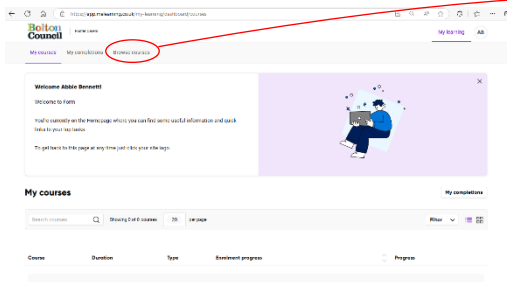

How to Book on to Courses

If you are new to Me-Learning, please [register your details in the Open Access workspace on Me-Learning](#). When you are registered, you will be able to [sign in on the Open Access workspace on Me-Learning](#), browse the training catalogue and enrol on the courses.

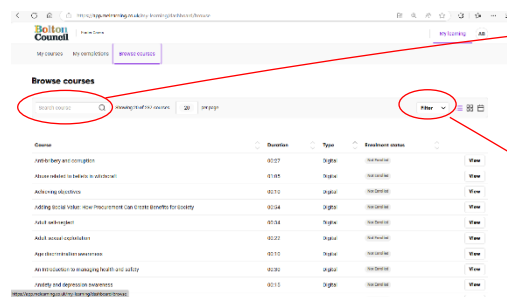

If you cannot register, it is because you are already registered but in a different workspace. If you are an existing Me-Learning user but need to be registered in the Open Access workspace, please email learninganddevelopment@bolton.gov.uk. For any problems with registration, please email learninganddevelopment@bolton.gov.uk or phone 01204 337600.

To book on a course, click on the **Browse Courses** section and search for your selected course. Once you have found the course you have searched for click **View** and then **Enrol**.

1. Select 'Browse Courses'

On this page you will see a list of ALL the courses available to you.

2. Search for your selected course

Once searched, you will see the course you are looking for on your screen. Select view and enrol to

or

3. Select Filter - Type: Event and then search and select the course you are looking for.

When you filter to events you will see a full list on all course events. Here, you will need to look for your course and then click view and enrol.

If you are enrolling onto an Online course/ event, this will be delivered by Microsoft Teams or Zoom.

If you need to cancel a place on a course

If your circumstances change and you cannot attend a course, please cancel your place on [Me-Learning](#).

When cancelling your place, please be aware you must cancel your place at least 3 weeks prior to the course date, otherwise the following charges will apply-

3 weeks or more – No Charge

2 weeks prior - £30.00

The week of the training course, the day of training or non-attendance on the day- Full Cost of the course

IMPORTANT - If your course is free of charge and you do not cancel within the times outlined above, you will be charged £30.00

For any questions related to booking, please email learninganddevelopment@bolton.gov.uk or phone on 01204 337600.

Foundational ACEs (Adverse Childhood Experiences) & Trauma

Awareness Training

[How to Book on to Courses](#)

Course Overview

This session aims to cover what Adverse Childhood Experiences (ACEs) are, how they affect people's lives and what we can do to support people who have experienced adversity and trauma. We will also look at what a trauma-informed way of living or working is and how this can be implemented

Audience

Open to all people working or volunteering in the Bolton area

Connect 5

[How to Book on to Courses](#)

Course Overview

[Connect 5](#) is a 3-session programme that draws on cognitive behavioural therapy to promote self-help. This course aims to raise awareness of how you can support mental health and wellbeing within your everyday life. The intended outcome of this course is to change the way we have mental wellbeing conversations so that we are confident and skilled to have brief conversations in which we help a person think about ways they can take action to improve their mental wellbeing.

Understanding depression

[How to Book on to Courses](#)

Course Overview

This 3-hour training session provides an introduction to understanding of depression, including its types, causes, symptoms, and support strategies. It equips participants with practical tools to recognise, manage, and support individuals experiencing depression. The session includes discussions, case studies, and practical exercises.

Objectives

By the end of the session, participants will:

- Understand what we mean by the term depression.
- Understand biological, psychological, and environmental causes.
- Recognise physical, emotional, and cognitive symptoms.
- Develop effective support and communication strategies.

Audience

Open to all people working and volunteering in the Bolton area

Men's mental health: raising awareness and supporting men

[How to Book on to Courses](#)

Course Overview

This training course equips professionals with the knowledge and skills to recognize signs of poor mental health in men, engage them in meaningful conversations, and provide appropriate support. Through practical tools and real-world insights, you'll gain confidence in assessing mental health conditions, understanding safeguarding responsibilities, and connecting men with vital services.

Objectives:

By the end of the session, participants will:

- Explain the prevalence and impact of mental health issues among men.
- Identify key signs and symptoms of poor mental health in men.
- Apply effective engagement techniques to encourage men to open up.
- Use appropriate screening tools to assess mental health conditions.
- Locate, and refer individuals to, relevant national and local support services.
- Understand safeguarding responsibilities and risk management procedures.

Menopause and mental health

How to Book on to Courses

Course overview

This course aims to increase understanding of how and why menopause can impact mental health, and to equip participants with practical knowledge and tools to support their own wellbeing and others during this transition.

Objectives:

- Explain how and why menopause can affect mental health, including mood, anxiety, sleep, and cognitive function. Recognising the interaction between physical symptoms (e.g. hot flashes, sleep disruption) and emotional wellbeing
- Apply practical strategies to support their own mental health during menopause (e.g. attitude, sleep, stress management, lifestyle approaches)
- Demonstrate ways to offer appropriate support, use supportive communication skills to have open, non-judgemental and asset based conversations and signpost to relevant services

Applied Suicide Intervention Skills Training (ASIST)

[How to Book on to Courses](#)

Course Overview

ASIST is a **two-day** face-to-face workshop featuring powerful audio-visuals, discussions, and simulations. You'll learn how to prevent suicide by recognizing signs, providing a skilled intervention, and developing a safety plan to keep someone alive.

Over the course of their two-day workshop, ASIST participants learn to:

- Understand the ways that personal and societal attitudes affect views on suicide and interventions
- Provide guidance and suicide first aid to a person at risk in ways that meet their individual safety needs
- Identify the key elements of an effective suicide safety plan and the actions required to implement it
- Appreciate the value of improving and integrating suicide prevention resources in the community at large
- Recognize other important aspects of suicide prevention including life-promotion and self-care

“Take Care” self-harm awareness training

[How to Book on to Courses](#)

Course Overview

Self-harm affects thousands of people across the UK, and it can be hard to know how to respond. This course will help you to consider helpful strategies for supporting people who self-harm while also supporting your own wellbeing.

It aims to increase understanding of why & how people self-harm, and how best to support those who do.

This course supports practitioners, caregivers & community members supporting individuals who self-harm.

Audience

Open to all people working and volunteering in the Bolton area

Supporting people experiencing bereavement & loss

How to Book on to Courses

Course Overview

The impact of bereavement is always a very difficult and challenging time. The COVID 19 crisis has further impacted on people's experiences of bereavement. Many people lack confidence in knowing how to support someone through the impact of loss and bereavement.

By the end of this course you will be able to:

- gain a deeper understanding of loss, grief and bereavement in adults.
- understand the impact of covid-19 on bereavement
- explore theories of loss
- reflect on supportive communication skills to acknowledge a bereavement or loss highlighting the role of a compassionate leader.
- highlight the importance of self awareness – looking after yourself.
- learn about useful resources and both national and local organisations to support
