Supported Internships for EHCP Holders: Your Next Step

Supported Internships offer an amazing opportunity for young adults aged 18+ with an Education, Health & Care Plan (EHCP) to transition from education to employment.

This tailored one-year programme is specifically designed for EHCP holders, combining personalised education with a hands-on work placement in a supportive environment.

We are hosting two information evenings over the next month, giving you the chance to find out more, ask questions about internships, and apply for September 26/27.

If you are interested in applying, attendance at one of these events is mandatory.

We look forward to seeing you at:

Our Open Events on either:

**Monday 15th December,
5pm-7pm**

or

**Monday 9th February,
5pm-7pm**

**Bolton College,
Deane Road Campus, Deane Rd,
Bolton, BL3 5BG**
